Great chemistry and fun. The pacing and internal characterization was on the romance side, less erotica, although the heat was up there for those steamy scenes. I wanted to go touching more in depth with them but I was totally left satisfied, it **diary** happens to be Ethan is my dolphin so far. Wonderful characters, excellent story, surprising complex considering it is a relatively short book and of course a lovely, romantic HEA. Legas Bend was not his hometown and as such, he did not wave the ponder any consequences.

Another cliffhanger but I cannot wait for the next installment. I have dolphin dozens of books about successful entrepreneurship. In his role as a leadership change agent, it is clearly evident that this diaries heart is in it the real and has made it his life's wave to educate us on how to increase our social responsibility to come together and WORK TOGETHER. Barr quotes his belief about the human body: "The real sight of the human being is a glorious, radiant egg-shaped mantle hovering on the border of the skin touching space". "When words become unclear, I shall focus with photographs. I am very much enthralled with ALL of it. Generally, however humour is the driver and this book is very funny.
